

Unlucky

Verse 1

Well you planned it all out but it still went wrong
Oh nah nah nah nah
You drew out the lines but you waited to long
Oh woah woah woah yeah
You fought fair and hard but he's like King Kong
Ah ah ah ah ah ah
You poured it perfect but the coffee's just to strong
What coulda went wrong?

Chorus

Maybe I'm making something out of nothing
Yeah
Mmm
But for once in my life could I just get lucky
Unlucky lucky
Yeah

Verse 2

Man today was the day and it's the one I'm late
Oh yeah well
I got thirteen black cats and a fly in my chardonnay
Oh yay
Man I almost had a straight I was just one card away
You know what they say
Unlucky in cards I'll get lucky in love someday
Yeah no way

Bridge

Lucky Unlucky
Why am I
Lucky Unlucky
Why am I so woah

Chorus

Maybe I'm making something out of nothing
Yeah
Mmm
But for once in my life could I just get lucky
Unlucky lucky
Yeah
