

## Bokair's Lament

Verse 1:

Dear James,  
Was always gonna be the first to die  
Don't laugh you know it's true  
Was always gonna be the martyr  
My life was never mine to barter  
And I'd never get to say these words to you

Anyway,  
There is a point to this letter  
Some last things I want you to know  
Normally, can't make the thoughts leave my head  
But I guess it's fine now 'cause I'm dead,  
Woah oh woah

Pre-Chorus:

So James,  
It's been an honor being in your motley crew  
And I know that letters from ghosts are a little bit taboo  
But I wanted to die finally knowing that you knew  
So I'm writing this to you  
Oh and your perfect girlfriend, too

Chorus:

And I know I didn't try  
To make you understand the way I felt inside  
And I know, man  
Honestly,  
But you have no idea what you do to me  
And it's hard to apologize  
'Cause when I look into your eyes  
All that I can see is that you want her and not me  
And it's fine  
But Jesus Christ I wish that you were mine

Verse 2:

Believe me,  
If there was another road I'd take it  
I'd take it far as I could go  
But I'd wake up just to find that you are still on my mind  
That I was right back where I was eight years ago

And if I could say I love you  
Then we wouldn't be here right now  
Oh, if I could kiss your name  
Maybe you wouldn't drive me insane  
Maybe I could get your stupid face out of my brain

Pre-Chorus 2:

So please, James, don't cry for me  
'Cause this is as honest as I'll ever be  
Just a crazy man's dying words as he bleeds  
With your perfect eyes being the last things he sees

Chorus 2:

And I know I didn't try  
To make you understand the way I felt inside  
And I know, man  
Honestly,  
But you have no idea what you do to me  
And it's hard to apologize  
'Cause when I look into your eyes  
All that I can see is that you want her and not me  
And it's fine  
It's fine

Bridge:

And they say Bokair  
Get your head out of the clouds  
Think smart, not hard  
Keep your feet on the ground

And they say Bo, kid  
Get your head up and go  
'Cause if he thinks that you hate him  
He never has to know

Chorus 3:

And I know I didn't try  
To make you understand the way I felt inside  
And I know, man  
Honestly,  
But you have no idea what you do to me  
And it's hard to apologize  
'Cause when I look into your eyes

All that I can see is that you'll never want me  
And it's fine  
But Jesus Christ I wish that you were mine
